Cave Tubing & Ziplining

One of Belize's most popular excursions, float along the cool water illuminated by your headlamp, gently pushed by a current or led by your guide into two large chambers - both impressive sanctuaries used by the Mayans for rituals, listen to the sounds of the cascading waterfalls and bubbling rapids.

Zipline is designed to last approximately 45 to an hour. It includes a 50 minutes site. You will be through the canopy of Belize's rainforest for approximately an hour. You will also be zipping

across the same river on which cave tubing is done.

Cave tubing & ziplining can be done separately as half-day tours.

Crystal Cave

One of the most exhilarating caves in the greater region. The initial climb to reach the start of the cave tour is steep and heart pumping and the scenery is lush rainforest.

After a 60-minute hike you arrive at the entrance of the cave and here the real fun begins. You will be descending up to 600 feet into a stunning cave system. Pick your way along sheer rock faces, slide down mud ramps. Crystal stalagmite and stalactite formations litter the caves, and the cathedral cave sections are mind-blowing. If you are up for it this will be a highpoint of your Cayo adventure cave experience.
